Prices are valid for devices received by ReCellular on or before March 31, 2010.

Prices are paid by model for units in a saleable condition. ReCellular pays on all saleable models such as new models, even if not specifically listed. Any models no longer appearing on the price list (i.e. any appearing in a previous month but no longer appearing on the current list) should be considered scrap models and will be priced as such. Due to unexpected market changes that are out of ReCellular's control, ReCellular reserves right to adjust pricing accordingly.

▶ ReCellular accepts all makes, models and accessories, even if not shown on this list.
▶ If device powers up and makes test call, we'll pay full amount, *regardless of cosmetic condition.**
